1

BE REFERRED

If your GP advises that a referral is required, simply request that you are referred to a Circle hospital.

2

GET YOUR UBRN NUMBER

On some occasions, your GP will be able to arrange an appointment on the spot. But, more than likely, you will be provided with a Unique Booking Reference Number (UBRN).

CHOOSE CIRCLE

Pick your preferred Circle hospital and give them call. They will take your UBRN number and take care of you from there.
